

THE Health Care M&A MONTHLY—INDEX 2007

INSIDE THE HEALTH CARE M&A MARKET

ANNUAL INDEX

Index to The Health Care M&A Monthly 2007

Each company and organization discussed in the issues of *The Health Care M&A Monthly* during 2007 is listed alphabetically. References are to the first occurrence of the company's name in the issue; further discussion may follow later in the text.

References are sorted by the month and page number of the issue in which the company appears, so that *Apr p. 9* stands for page 9 in the April 2007 issue.

...

Please Note

The various companies and organizations cited in the Deal Summaries of each issue are not included here. Instead, reference should be made to the four quarterly supplements, *The Health Care M&A Report*, which discuss individual deals in greater depth. Each quarterly report contains its own company index.

The Health Care M&A Monthly has a quarterly supplement which details all publicly announced health care services mergers and acquisitions. Because many companies do not reveal details of their acquisitions, especially price and terms, at the time of the announcement, those details, when available, and additional information about the target company and acquirer are provided in the quarterly report after researching SEC documents and other primary sources.
