INSIDE THE HEALTH CARE M&A MARKET

The 2013 Full-Year Index

The Index to *Health Care M&A News*

Each company and organization discussed in *Health Care M&A News* during the year of 2013, from January through December, is listed alphabetically here. References are generally to the first occurrence of the company's or organization's name in the pertinent issue; further discussion may follow later in the text.

References are sorted by the month and page number of the issue in which the company appears, e.g., *Apr p. 9* stands for page 9 in the April 2013 issue.

Please Note

The various companies and organizations that are cited in the "Deal Summaries" of each monthly issue are not included here. Instead, reference should be made to the four quarterly supplements, *The Health Care M&A Report*, which discuss the individual deals in greater depth. Each quarterly report comes with its own company index.
