Index to *Health Care M&A News*

Each company and organization discussed in *Health Care M&A News* during the first six months of 2016, from January through June, is listed alphabetically here. References are generally to the first occurrence of the company's or organization's name in the pertinent issue; further discussion may follow later in the text.

References are sorted by the month and page number of the issue in which the company appears, e.g., *Apr p. 9* stands for page 9 in the April 2016 issue.

Please Note

The various companies and organizations that are cited in the "Deal Summaries" of each monthly issue are not included here. Instead, reference should be made to the four quarterly supplements, *The Health Care M&A Report*, which discuss the individual deals in greater depth. Each quarterly report comes with its own company index.
